

GLOBAL COMMODITIES GROUP™

EXECUTIVE SEARCH

Our Executive Search platform was launched as a result of the apparent need from the trade for a recruitment company with sector insight, market intelligence and above all industry knowledge.

We provide a comprehensive and confidential executive search service to clients in the global commodities markets, covering trading and commercial activities and underpinning support functions. Our recruiters are ex-market professionals and their mandates from trading houses, banks, hedge funds and commercial clients cover a broad range of commodity sectors and geographies.

All our searches follow a systematic, thorough procedure, using state-of-the-art search tools and are underpinned by our formidable commodity talent network. From market mapping to top level placements, we apply our knowledge, network and information systems in every process.

WE COVER THE FOLLOWING FUNCTIONS:
